Dear Director

Five months ago (about June 30) I was present to your office one package of document, which is an application for non - provisional patent, the title of the invention is " The way to avoid the accident of surgical operation of doctor and it's observable appliance " .

But five months was passed already . It is no any answer to me .

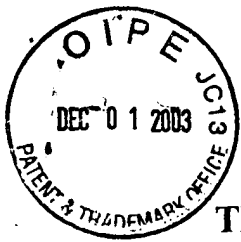

If your office received my application form and documents, please send to me the filing date and the application number of this invention . or to notify me about your opinion .

I present the second application of patent in this package, Can you tell me that how long time I can received the filing date and application number after I present my application form with documents for patent by mail . And if I need to apply for this patent in other countries (such as to China or Japan) on the same time, please send me an form for international application and information about various fees for foreign application .

It will be greatly appreciated for your help . Thank you .

Sincerely yours

Zhang - Mu Xu
